**CONSENT ORDER STIPULATING TO EXTENSION OF DEADLINE FOR
APPELLEES' BRIEF**

This matter comes before the Court on the joint request of the parties for an extension of the current April 5, 2007 deadline for Appellees to file their appellate brief. The parties have reached a settlement of the case and are in the process of drafting a settlement agreement and a motion for this Court to approve the settlement. However, the parties will be unable to complete this process prior to the current April 5, 2007 deadline. Wherefore, the parties, through their signatures below, have consented to and requested that the Court enter this order extending the deadline for a period of forty-five (45) days in order to allow time for the settlement to be completed and approved.

Accordingly, it is hereby ORDERED that the deadline for Appellees to file their brief in this case is extended for a period of forty-five (45) days.
